

## CHINA SECTION 301 – PRODUCT EXCLUSION UPDATE JUNE 28, 2019

On June 28, 2019, Customs issued CSMS [#19-000332](#) providing guidance on the fifth set of approved product exclusions from China Section 301 List 1. The USTR announced the fifth set of product exclusions in a [Federal Register](#) notice on June 4, 2019. Since June 11, 2019, ACE functionality for the submission of product exclusions in the fifth set is available. Product exclusions from China Section 301 List 1 duties, which are retroactive to July 6, 2018, are available for any importer for any product that is properly classified and falls within the specially prepared product description and ten-digit HTSUS classification. Clients may contact the firm to obtain a comprehensive spreadsheet we have prepared of all product exclusions for China Section 301 List 1 duties.

As a reminder, USTR will begin accepting new Product Exclusion requests for China Section 301 List 3 duties on Sunday June 30, 2019. Product exclusions requests for China Section 301 List 3 may be submitted until Monday September 30, 2019. Approved exclusions will be retroactive to September 24, 2018, the effective date of China Section 301 List 3 duties.

Please contact [Marshall Miller](#), [Brian Murphy](#), [Sean Murray](#), or [Ryan Thornton](#) with questions or assistance in declaring Section 301 List 1 product exclusions or filing Section 301 List 3 exclusion requests.
